The Committee has begun to take our survey into the field. Sue and Pam went to Gallery Walk, a table is in the main library, Jane to table at Coop on Saturday the 10th and Thursday the 15th. Discussed on going outreach, how it was going. Agreed that all should work at getting friends and neighbors and strangers to respond.

We reviewed the list of agencies and places to survey, and added Elizabeth T to First Wednesdays, Jenn to School Newsletters, and Howard to businesses. Pam and Connie will contact the high school for possible community service aid on collating results.

Next meetings September 22, October 6, and 20, and in November, only one meeting on November 2nd, unless others are necessary.

We are closing in on the end of outreach, now to begin to construe its meaning and write our plan!!.
