

Accordion Folded Caterpillar or Snake

Take 1 strip of two different colors.

Tape the two strips together into the shape of an 'L'.

Fold bottom strip over the top strip, forming a square. Then repeat until whole body is formed. The longer the strips of paper are, the longer your snake or caterpillar will be

Tape the ends together. Gently pull on the ends to make the caterpillar or snake.

For a **caterpillar**: decorate the face add, googly eyes and a set of paper antennae that have been curled around a pencil.

For a **snake**: Decorate the face add, googly eyes and a long forked tongue.
