BROOKS MEMORIAL LIBRARY Board of Trustees Regular Meeting Tuesday, July 12, 2022 4:45 PM

Minutes

Present: Sirkka Kauffman, Starr Latronica, Karen Tyler, Matt Wojcik (electronic services specialist), Jennifer Rowe, Howard Burrows, Leo Schiff, Joyce Sullivan, Kate O'Connor, Ann Varilly. Absent: John Woodward.

Call to Order / 4:47 PM Leo

Agenda/Changes or additions: Discussion of whether to hold August meeting.

Public Comments: Marshall Patton and Rikki Risatti introduced themselves and were welcomed. Rikki brought up a discussion about acquisition of materials and how long they take to get cataloged. Staff responded that it depends on where the materials come from, and how unique they are. Rikki advocated that the library **should buy more indigenous authors'** materials in a way that directly supports the authors, rather than corporations that may claim to be indigenous. Starr noted that there may be the option of Interlibrary loan for some of the items that Rikki has previously requested, but that she would continue to work with staff to review that list again.

Minutes of June 14, 2022: Revision needed to include vote to go into executive session, and the reason for it. After that change, Karen moved to approve; Ann seconded. All who were in attendance voted to approve.

COMMITTEE UPDATES/ DEPARTMENT REPORTS

A. Friends of the Library- Leo update

- Plans for July 4th activities were made.
- The garden party will be held at the home of Sharon Myers on July 17th.
- The ice cream social will be held sometime around Labor Day.
- B. Finance/Asset Development Committee—Jenny Rowe, Treasurer
 - We have talked with two viable potential candidates to appraise the Loud collection, one who is eager to move forward, and the other we are still waiting on.
 - We are waiting for the Town to close the books on the year before doing our year-end reports.
- C. Technology Committee
 - No report, but Leo again noted that he is looking for a new chair. Currently Howard and John are the other members.
- D. Buildings and Grounds—Karen Tyler, Chair
 - No report. Karen noted that the committee will not meet in June, July, and possibly August unless there is something urgent.

- E. Advocacy and liaison to library organizations—Howard Burrows
 - Howard attended the ALA conference. He noted that many States now have executive directors of library systems.
- F. Strategic Planning Committee
 - Ann referenced the minutes of the last meeting and the survey results.
 - We are trying to have 3 or 4 micro forums with groups such as the Rotary, Chamber of Commerce, American Legion or Auxiliary, to include 3 basic questions. Ann noted that if Greg does these, we will be over budget for his contract.
- G. Department Reports: Director; Reference

Director

Starr noted that the State Librarian came to meet with staff. Starr attended ALA, including sessions on financial literacy, book censorship, trauma in the workplace, and privacy issues. Discussion ensued as to whether we need more language around privacy than we currently have. Howard noted that OverDrive sells data to Google, and Matt reported that other vendor options are coming soon. A self checkout system would cost \$20-30,000, including a new security system.

Reference and Technical Services

Circulation figures show that we are at 86% of pre-pandemic levels.

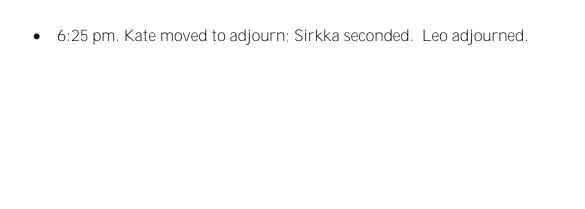

CONTINUING BUSINESS

Tool Library update

Business is brisk, and Kevin is great with giving inspections, and doing inspections of returns.

NEW BUSINESS

- Discussion of holding no meeting in August. All in favor. Next meeting will be on September 13th.
- Request to film Trustee meetings and "publish" them on BCTV. Rikki had requested this as a possibility to document meetings. Discussion about cost, equipment and personnel needed followed. Jenny noted that our current policy is to have minutes. We do have Zoom recordings of many previous hybrid and completely remote meetings; those are large video files that could be given to BCTV to post but may be cumbersome. The consensus was that if someone from BCTV wanted to come to record our meetings, they could do so, but at no cost to us.
- Debrief of Staff/Board planning session. Ann asked each Trustee to comment on the experience. Themes that emerged include: staff were very open about their interests and concerns; need for more staff; use of building space; and obtaining benefits for part-time staff.

Director's Report for July/August 2022

Announcements: Our book supplier, Baker and Taylor, was the victim of ransomware and we were unable to order or receive any materials for nearly three weeks. Luckily, we could work with our wonderful local bookstore to supply high demand items for our patrons.

Representatives from Senator Sanders' office dropped by and were super impressed with our services and collections. We may end up in a future edition of the *Bernie Buzz*.

Public Service updates: The Field to Fork Big Red Shed is serving the public well. We have added items (ice cream maker, electric weed trimmer) to respond to demand. Several of us met for a checkin with a representative from Vermont Foodbank, the grantor of the project.

Building and Grounds: Town sustainability coordinator, Stephen Dotson, arranged for a tour of the building by Efficiency Vermont. The representatives had some good feedback on ways we can move forward to an even more efficient facility. We will be moving forward with upgrading our fire alarm system, now that the new fiscal year has begun.

Community Collaborations: We had a great showing in the Brattleboro Goes Forth parade, with marchers of all ages and a life size wooly mammoth! I attended a kickoff event for Vermont Humanities Council's Vermont Reads title, *The Most Costly Journey*. The library will host an author event in late October to support the community read. The library hosted Chess Alley again during Gallery Walk, where a rematch from last year took place for over three hours! BML was included in a group interview about the Words project with a reporter from Humanities Magazine.

Programs: Summer learning activities are keeping kids of all ages engaged and staving off the summer slide of intellectual development. We hosted the author of *Futruresteading*, which tied in nicely with our Field to Fork initiative. Meg Mott returned to BML with an exploration of the Declaration of Independence, which invited lots of audience participation and discussion. We launched a science fiction reading group and held a Vermont themed summer reading bingo challenge for adults.

Technology: We are still adjusting to our new catalog interface and the demands for Matt's assistance from the public for one-one tech help continue to increase.

Grants: We finished up our first round of ARPA funding and submitted our final report. We received a grant from the Department of Libraries for \$571 to subsidize the cost of Courier service to transport books between libraries.

Continuing Education/Professional Development: Kudos to Circulation Manager Jeni Clary, who was accepted into the New England Library Association's Library Leadership Symposium. A panel of staff from the VT Department of Libraries visited for a tour and a mutual exchange of information, which benefitted all attendees. The new State Librarian visited BML, which offered an opportunity to showcase our services and resources, get updates on Department of Library activities, and provide input/requests for regional/statewide support and priorities. A group of directors from VT large libraries met virtually to discuss trials and triumphs of serving the public.

Friends Activities: The Friends hosted a lovely garden party, which was a friendraiser as well as a fundraiser.

Personnel: Our accounts clerk Kathy Johnson has retired. I am so grateful for the incredible work she has done under difficult circumstances. Anna Monders began work as our new Accounts Clerk!! We are learning the accounting systems together with *lots* of help and patience from Kim Frost, the Finance Director, and Calista Carbonell and Leila Stone in the finance department. (and thanks to Jenny Rowe for serving on the interview panel.) Beth Johnson is our new Americorps VISTA. She has jumped into our project with enthusiasm.

Town Activities: Many staff members attended and enjoyed the Town Employee picnic this year. It was a pleasure to see all those unmasked faces and catch up after years.

Youth Services Board Report- August 2022

Summer Reading Program has been in full blast through July. The return of our free lunch program was greeted warmly. We did not have a huge turnout most days (with a couple of notable exceptions), but we know that a couple of families counted on us having lunch for them when they made it to the library so we feel that it was a success.

In addition to our usual popular programs (Rhyme Time, Sing & Dance with Robin, and Monday Movie Matinees) we provided a series of fun events: A Knot-Tying Class with the Girl Scouts of the Green and White Mountains, Robert Rivest the Comic Mime's interactive comedy show, Fairy Houses & Gnome Homes (back for the first time since pre-covid!), a Paracord Bracelet Workshop (the surprise hit of the summer), and a visit from Kelso the Reading Dog. We haven't been able to predict what kinds of turnouts we'd have for any of these programs (attendance ranged from 4 – 50 kids), but they were all happily received by those who partook.

For the third year in a row, the Teen Room partnered with the WSESU Office of Diversity, Equity, & Social Justice to provide a series of summer outdoor movies alternating between showing them in the library parking lot and the commons. Partnering together allows us a more expansive catalog to draw from since we have different source catalogs. We watched some classic teen movies as well as the fascinating documentaries "Summer of Soul" and "Dope is Death".

In addition to the movie nights, this year we held two Teen-only programs: a "Zine-Making Workshop", taught by Teen Advisory Board member Anna Cummings, and a "Character & Comedy for Teens" class taught by Robert Rivest the Comic Mime. The created Zines were fabulous and one teen was motivated to learn how to use the copier downstairs and reproduce her artwork for distribution J We had a small turnout for the mime class, but it made it a more intimate experience and easier to be silly in front of others.

And Summer isn't over yet!

Youth Services Board Report- September 2022

From the Children's Room:

Our Read Beyond the Beaten Path summer reading program was like old times! We started the summer with our *We're Going on a Bear Hunt* obstacle course which had more than 100 kids climb, hop and crawl through. We had over 200 children join our summer reading program this year. Each child received a 'summer kick-off' bag which included a bright orange nylon bag which could be worn as a backpack, great for hiking in the woods or riding a bike. Each bag contained a blank journal/sketchbook, stickers to decorate the sketch book, a color changing mood pencil, a paper pen, a bookmark and a reading record. Each reading record had four badges for kids to fill out by reading and attending library events. We had 93 children complete one badge, 80 children complete two badges, 64 children complete three badges and 56 children complete all four badges! Prizes for completing the various badges included compasses, sunglasses, flashlights, binoculars, water bottles and whistles. Children who finished all four badges earned two free books, a coupon for a free Domino's pizza and entry into our grand prize drawing- a \$30 gift certificate to the Latchis Theatre.

We were happy to offer in-person, in library events this year including an evening campfire family storytime, complete with glowing 'campfire'; a delicious make a s'mores solar oven workshop; and have our furry friend Kelso back for two Read to a Dog afternoons. Our weekly Rhyme Time had a dedicated following and we were able to bring back our Monday Movie Matinee Series. Perennial favorite Sing & Dance with Robin drew large crowds to the Commons on Tuesday mornings. We continued our popular Take and Make craft bags averaging 90 bags a week!

We capped off the summer with a return of our We're Going on a Bear Hunt obstacle course which again drew over 100 children! All in all, it was a successful summer.

Now we are diving headfirst into fall and back to school. We will be participating in the 802 Credit Union Kids Fair on Saturday September 17 from 11 am to 2 pm on the Commons. We will be giving out free books by local author and illustrator Eileen Christelow, having a Mystery Mosaic where kids and adults can add stickers to reveal the hidden pictures and handing out lots of bookmarks and information about all the wonderful things the library offers. We have also been invited to speak at the New Parent Group on Winston Prouty on Tuesday September 27. We will be highlighting our offerings including our weekly Rhyme Times and our 1000 Books Before Kindergarten program. Class visits with St. Michael's begins on Friday September 30 with the 1st and 2nd grade classes visiting to hear a story a check out books. The pre-K and Kindergarten will visit us the following week. We are also gearing up for our Take Home Design-A-Plate workshop. Packets will be available for pick up in the Children's Room beginning on October 1 and due back by October 17.

From the Spicy Lime:

We continued with our scratch ticket summer reading program this year. We had 41 teens participate. We gave out 61 scratch tickets, handed out 48 prizes including \$5 gift cards to Beadniks and the Works, Domino's coupons and of course books! Teens who scratched a Try Again entered into one of the three Grand Prize drawings, a \$25 gift certificate for either Everyone's Books, Sam's Outdoor Outfitters or GameStop. The TAFLTS group ended the summer with our first ever overnight lock-in at the library. Much fun was had by all!
